NOTICE

GENERAL INSTRUCTIONS

1. The original of this report form properly filled out and verified should be filed electronically with the Public Service Commission of West Virginia on or before the last day of the third month following the close of the calendar or established fiscal year by each Class C public utility (as defined in the Uniform System of Accounts). One copy of the report should be retained by the respondent in its files.

2. The form of annual report is prepared in conformity with Uniform System of Accounts for Public Utilities prescribed by the Public Service Commission of West Virginia, and all accounting words and phrases are to be interpreted in accordance with the said classification.

3. Instructions should be carefully observed and each question should be answered fully and accurately whether it has been answered in a previous annual report or not. Where the word "none" truly and completely states the fact, it should be given to any particular inquiry unless in a numeric field. Where dates are called for, the month and day should be stated as well as the year. Customary abbreviations may be used in stating dates.

4. If any schedule does not apply to the respondent such fact should be shown on the schedule by the words "not applicable."

5. All entries should be made in permanent form. Entries of a contrary or opposite character (such as decreases reported in a column providing for both increases and decreases) should be enclosed in parentheses.

6. Commission authorization (abbreviated Comm. Auth.) used in the report means the authorization of this Commission or any other commission. Where a commission authorization is shown, the identity of the commission should also be given.

7. The annual report should in all particulars be complete in itself. Reference to reports of previous years or to other reports should not be made in lieu of required entries except as specifically authorized.

8. Wherever schedules call for comparison of figures of a previous year, the figures reported must be based upon those shown by the annual report of the previous year, or an appropriate explanation stating why the different figures were used.

9. Additional statements inserted for the purpose of further explanation of accounts or schedules should be made on schedule 801A-801B.

10. The word "respondent" wherever used in this report means the person, firm, association, corporation or municipal corporation on whose behalf the report is made.

11. If the respondent makes a report for a period other than a calendar year, the beginning and the end of the period covered must be clearly stated on the front cover, and throughout the report where the year or period is required to be stated.

12. Round off cents to the nearest whole dollar on all schedules except where cents are requested.

RECONCILIATION OF REPORTED NET INCOME WITH TAXABLE INCOME

1. Report hereunder a reconciliation of reported net income for the year with taxable income used in computing Federal income tax accruals and show computation of such tax accruals. The reconciliation should include as far as practicable the same detail as furnished on Schedule M-1 of the tax return for the year. The reconciliation shall be submitted even though there is no taxable income for the year. Descriptions should clearly indicate the nature of each reconciling amount.

2. If the utility is a member of a group which files consolidated Federal tax return, reconcile reported net income with taxable net income as if a separate return were to be filed, indicating , however, inter-company amounts to be eliminated in such consolidated return. State names of group members, tax assigned to each group member, and basis of

tax among the group members.
