CMA Board Action

The CMA Board/DACC **approves ☐ denies ☐ pending ☐** the above requested Special Exception to Use of Property. If denied, the Board's reasons are listed below. If approved, any additional conditions are specified below. If pending due to missing documents/information, the missing documents/information are listed below.

Misrepresentations on this form may result in a denial of a requested Special Exception to Use of Property. Any violations of stated conditions in the rules and regulations or current policy resolutions or any additional specifications stated below serve as grounds for termination, modification, additional conditions, and applicable penalties or fines as stipulated in this or other CMA rules and regulations. The Special Exception is predicated on the owner remaining in good standing with all due and payable assessments, bills, fines, penalties, fees, or payment plans in effect.
