    c. Septic Survey
    d. WSPSD Contract Renegotiation (Cindy Kelleher)
c. Project List
d. W&S Funding – Cindy Kelleher

V. Owner Forum

VI. Executive Session (held prior to open session)
a. Delinquency Report

VII. Adjournment

Next Meeting – November 19th, 2024, 7:00pm

Coolfont Mountainside Association – Water & Sewer
Board of Directors Meeting – October 26, 2024
Financial Report

Submitted by Dawne Holz, CMA Treasurer

Overview

The financial reports as of 09/30/24 are attached and cover 75% of the budget year. Expenses are running just slightly over budget at 80.8%.

Capital Improvement and Repair & Replacement Funds are held in a separate account from the operating account.

Accounts

2024 Q3 Billing

- Invoices were sent the first week of September.
- Five accounts still unpaid as of 10/14/24
- Late fees applied and invoices mailed to owners.

Leak Adjustments – Q3 Billing

- Request from G-4 for adjustment. Usage less than 200% of historical usage, no adjustment provided
- Request from E-4 for adjustment. Usage met requirements; adjustment provided.

Monthly Updates

Updates include details of attached reports as of the end of the previous month.

- Funding from CMA of $4,166.67/month is transferred into W&S each month for 2024.
- With the application of interim rates by the PSC, we have suspended additional contributions from CMA to CMAWS.

December/January:

- Set up new 2024 budget in QuickBooks. Still working to close out 2023.
- The mileage rate increased from 65.5 cents/mile to 67 cents per mile (based on IRS business mileage rate).

January

- 525 Sewer System Supplies running slightly over budget due to purchase of replacement pipe for wetlands.

February

- Income is only at 3.8% as first billing of the year isn't until March (residual December payments received in Jan/Feb).

March

- 415 Water System Labor includes 4 months of payments to WSPSD.
- 446 Chemical & Testing Sewer includes Pace testing of $275 per quarter, this will be over budget for the year.
- 515 Sewer System Labor includes 4 months of payments to WSPSD.
- 625 Mileage includes two trips to Lab for water safety testing after repairs.

April

- No updates. All line items are within budget parameters.

May

- No updates. All line items are within budget parameters.

June

- One online payment was rejected. The owner was contacted. Owner paid full invoice plus the $10 rejection fee.

July

- Interim tariff rates in place. We have suspended transfers from CMA.
- 725 Telephone expense running higher than usual with WS office phone and connectivity. Will adjust 2025 budget accordingly.
- 606 Payment processing fees higher than budget as more customers are paying online. Will adjust 2025 budget accordingly.
- Expect invoices for customer sewer line extension in the next month. We will reconcile invoices with customer deposit and bill/refund as appropriate.
- 2025 WS Operations Manager contract completed.

August/September

- Customer Sewer Extension project completed. Invoices reconciled and owner refunded extra deposit funds.
- 517 Sewer System Labor over budget due to expenses of Sewer Extension, offset by 340 Income Other.
- 446 Chemicals and Testing Sewer increase due to the increase in Pace Labs charges for required quarterly testing.

PSC Tariff Review

- The Water/Sewer Committee is working to submit paperwork to PSC to initiate a Tariff Review for water and sewer. We are planning to discuss several topics with the PSC, including – but not limited to – tiered rates, reduced minimum charges, and fees for mailed invoices.
- Board approved motion to move forward with request on 1/13/24.

March

- Contacted PSC in mid-March about requirements for emergency rate increase to cover infrastructure project funding. PSC requested more information on utility and planned projects. Information provided.

April

- Call with PSC 4/9/24. CMA must file the Annual Water/Sewer Reports with PSC prior to requesting emergency rate increase.
- Requested BTM CPA to complete reports by 05/31/24.

May

- Draft reports received and comments returned to BTM CPA on 5/6/24. Waiting final review then submission to PSC before sending request for emergency rate increase.
- Filing sent to PSC in late May. Received confirmation of receipt and Case No. for Water/Sewer tariff reviews. Schedule notes staff report due in September and ALJ finalization in January 2025. Not quite the accelerated schedule we had hoped for.
- Responded to BTM CPA who received questions from PSC on Annual Reports; concerning reserve funds.

June

- PSC issued interim rates which will be used for the September billing. Notice posted in local paper per requirements. Owners notified by email. No email responses received.
- PSC Analyst, James Riley, will be on site at BTM CPA July 17-19 reviewing financials. The treasurer will be there July 18-19 to assist as needed.
- PSC Staff recommendation for rates due in September.
- CMA to sign interim rate tariffs and return to PSC.

July

- Interim tariffs signed, returned to PSC, and we received PSC stamped copies for our records.
- Copy of 2025 WS OpsMgr contract sent to PSC rep, James Riley. Have not received confirmation of receipt yet.
- Working to get information on WSPSD estimate for 2025 so PSC can take that cost into account on rate review (Steve, have we contacted WSPSD about this yet?)
- Met with PSC rep at BTM CPA. Provided information on questions about a few invoices.

August/September

- Received PSC Staff Recommendation on Friday, Sept 13, 2024.
- Submitted request for extension to respond to October 17, 2024. Request approved by PSC.
- Working on Response from CMA to Staff Recommendation.
- Owners requested at the annual meeting sample language and information on where to submit comments to the PSC in support of CMA Response. Working on language to send to owners.

Water Committee Report for October 26, 2024 CMA Board Meeting

On October 15, Dawne Holz, our treasurer, submitted a response to Karen Buckley, Executive Secretary of the WSPSC, with CMA's response to the Joint Staff Memorandum, specifying several issues of concern. Dawne spent countless hours compiling evidence to support CMA's rationale behind the request to the PSC to further review in providing adequate tariffs that meet the needs of CMA Water and Sewer. In follow up, Dawne composed and sent out a letter to the community, on behalf of the Coolfont Board, reminding the community of CMA's challenge to the WVPSC recommendation, specifically challenging the minimum billed amount to customers and tap fees. The letter instructs the community on how they might best support CMA's response to the WSPSC.

On 9/25/24, crew on behalf of FE/PE began work to excavate and lay conduit on Whippoorwill Way in anticipation of new underground power lines. Water and sewer lines were marked, to our best knowledge, and despite best efforts, prior to the crew departing on 10/9/24, one 4" sewer main was cut through and one homeowner's water line was cut at E-1. With the support of the crew from G.H.S. Excavating, who were on site at the time making a water repair, a repair to the sewer line was successfully made. At a later date, with the assistance of the water and sewer operations manager, supplies were provided, and a repair was done to the homeowner's water line. FE/PE signaled they will return on Tuesday, 10/22/24, to pull new power lines through the newly installed conduit. They anticipate planned power outages on that date sometime between 8 a.m. and 3 p.m. on Woodpecker and Bobcat Drive.

The following repairs were made to the water system during the month of October by the crew from G.H.S. Excavating:

A leaking 2" handled ball valve for the homes L-3 through L-6 was replaced on 10/3/24. A leaking 1" ball valve to the barn bleed was replaced on the same date.

On 10.18/24, a repair was made to a break in the water line that serves the L-3 through L-6 homes in the L Section. The leak in the N Section was also located at the connection between the line that runs to the N-4 meter and the 2" main. The repair will be scheduled for a later date.

On 10/7, we received a second estimate for cleaning and refurbishing the reservoirs from a local contractor, Lucas Andrews, of Poly Coating Solutions. A third estimate is forthcoming.

In coordination with DACC (Gary Farmer) and the Water and Sewer Committee, a response has been composed, as of 10/17/24, to send to the homeowner/contractor at K-4 requesting approval for a bathroom addition.

Files in the office and routine maintenance notebooks have recently been brought up to date by the W/S Operations Manager in anticipation of any future management changes. Repair notebooks, which include repair descriptions and photos, are also being brought up to date with recent repairs. Exercising valves are ongoing and routine flushing of the blow offs is being done this month in coordination with WSPSD.

Wastewater Committee Report for October 26, 2024 Board Meeting

To date, the contract for the lagoon liner project has been signed, thanks to the efforts of Steve Katz, Valerie Creason and Cindy Kelleher. We await receipt of the signed Authorization Agreement for Automatic Payment (ACH Credit) from the contractor, John Disanto, to wire funds to cover the deposit and mobilize the crew. Steph Rebant, of Berkeley Springs Cottage Rentals, has graciously offered to assist with lodging arrangements for John and his crew. Assurances from John Disanto and the continued mild weather allow us to remain optimistic the project will be completed by the end of 2024.

With one homeowner remaining to have septic tanks pumped in November, all remaining homeowners due in 2024 are currently in compliance. The list for 2025 is nearing completion.

Coolfont Mountainside Association

Coolfont Mountainside Association
Board of Directors Meeting – October 26, 2024
Financial Report

Submitted by Dawne Holz, CMA Treasurer

Overview

The financial reports as of 09/30/24 are attached and cover 75% of the 2024 budget year. Expenses are about 80% – slightly over budget. (Expenses include WS payroll, which is reimbursed each quarter from CMAWS.)

Meetings

There has been no Finance Committee meeting since the last board meeting.

The Committee is looking into the online payment fees at the request of two owners. We hope to have a recommendation for the Board by the November board meeting.

Delinquent Accounts

There are no unpaid assessment accounts. The last was paid on 7/7/24.

Updates

Updates include details of attached reports as of the end of the previous month.

December/January

- Set up new 2024 budget in QuickBooks. Still working to close out 2023.
- Finance Charge rate (interest rate) updated to 11.5% for 2024 (Prime 8.5% + 3%)
- The mileage rate increased from 65.5 cents/mile to 67 cents per mile (CMA is based on IRS business mileage rate). Updated Neighborhood Watch mileage spreadsheet with new rate.
- Invoices for 2024 Annual Assessments were sent out on 1/5/24. About 27% of owners have paid to date. Reminders will go out on/about 1/25/24.

January

- 540 Snow Removal is over budget due to several storms and the addition of chemical treatment of roadways.
- 762 Payment Processing fees are slightly over budget. More owners took advantage of online payments this year. Also, the majority of those fees are realized in January, which slightly skews the overall expenses for the first several months.
- 66000 Payroll Expenses. Reminder that these payroll expenses are shown on the CMA budget but are reimbursed by CMAWS at the end of each quarter.

February

- 381 Misc Income is from two mailbox fees paid.
- Expenses overages are still due to payment processing fees and snow removal.

March

- 670 Barn Maintenance includes costs to mitigate roof leaks, alarm service, and secure building.
- 550 Storm Water Maintenance includes ditch cleaning from late 2023, billed in 2024.

April

- 850/855 Insurance premiums came in slightly higher than budgeted (overall about $300).

May

- Pool expenses have started coming in. June water bill and propane refill have not been posted yet.

June

- The 18-month CD will renew on 8/8/24 (CD 112730). Next maturity is 2/8/26.
- Transfers to CMAWS have been suspended with the application of interim water/sewer rates.

July

- No significant updates in expenses.

August/September

- Last invoices for pool season are trickling in, still some payroll expenses to post and closing costs.
- 560 Forest Maintenance is nearly expended. Addressing only emergency work.

MOUNTAIN HOME REAL ESTATE, LLC
64 South Green Street
Berkeley Springs, WV 25411
Phone: (304) 258-0410

MONTHLY STATUS REPORT FOR September 2024
As of: 10/20/24

Questions / Discussion Points / Approval from CMA Board:

- Working on developing a short and long term road maintenance plan for CMA to implement on an annual basis. Site manager has been allocated $20,000 in reserve funding to make a recommendation to the board to maintain the gravel and paved roads, ditches, culverts and fix the pool road. Site manager met with GHS Excavation and Weaver Paving and conducted an onsite assessment of the community.

Tasks Completed:

- Normal site manager duties - upkeep of grounds, emergency tree removal response, upkeep and maintenance of facilities
  Leaf removal / leaf mulching

Pending Tasks:

- Working on developing a short and long term road maintenance plan for CMA to implement on an annual basis. Site manager has been allocated $20,000 in reserve funding to make a recommendation to the board to maintain the gravel and paved roads, ditches, culverts and fix the pool road. Site manager met with GHS Excavation and Weaver Paving and conducted an onsite assessment of the community.
- Scheduled CMA Office floor repair with Clark's $600 repair cost at the end of October.
- Tree follow up items from 09/21/24 meeting: N-6, J-1, O-4 and B-5 dead down tree on property

General Overview:

- Working with Dennis Schaffer on a gravel road improvement plan with board guidance and Weaver Paving for blacktop estimate.
- Brian Yost and Eric Whited are maintaining recreation areas for leaf clean up
- Pump houses are cleaned monthly and checked weekly, with dry conditions pest treatment has been needed.
- Brian Yost maintains the community grounds mowing on a bi-weekely or as needed basis.
- Brian Yost, Victor Stevens, Eric Whited and Stephanie Rebant conduct several weekly community inspections - mark dead trees, check for trash and violations, leaf blow tennis courts, pool and office grounds, check barn.
- Provide support assistance for water and sewer operations or any committee request with board approval
- On a monthly basis Brian Yost conducts ditch cleaning, road grading, gravel redistribution, leaf blowing, cut back overgrowth for community road

COOLFONT MOUNTAINSIDE ASSOCIATION

COMMUNICATIONS COMMITTEE REPORT

BOARD OF DIRECTORS REPORT – OCTOBER 26, 2024

Submitted by Dawne Holz *Information as of October 14, 2024*

SOCIAL MEDIA

Facebook: 107 members. Dawne Holz, Admin; Gina Baum, E-3, has volunteered to be an additional admin on the Facebook Group. Removed three members, homes sold.

Gina will review Facebook guidelines to determine if update is needed.

Google Group: 213 subscribers. Contacted 13 subscribers who were bouncing GG emails. Repaired email on two. Waiting to hear back from others. Admins are Dawne Holz (F-1); Clare Miller (A-3); and Barbara Shulman (T-8).

Clare and Barbara will review the GG User Policy from 2020 and suggest any updates.

Received a request from one subscriber to ban another user from Google Group due to behavior. Information reviewed and it was determined the user did not violate the GG User Policy. Request denied, requestor notified.

WEBSITE

Admins: Dawne Holz, adding Erfan Zayer as admin, Heidi Splane

Erfan Zayer has volunteered to take over as webmaster and will work on the server side of the website as well as content. First steps are to get the domain information and WP accounts updated with his contact information.

As noted at the annual meeting, we are updating the website to put notices/posts on the homepage. The team has a Zoom meeting on 10/17/24 to discuss new layout and other options.

Heidi Splane (G-5) has volunteered to help with content management.

To: Valerie Creason <valerie.creason@gmail.com>, David Creason <creason.dave@gmail.com>, Chris Peabody <cpeabody61@gmail.com>

Ah geeze, I'm sorry. I swear I thought I had until tomorrow! My apologies.

Trails:

1. Are in pretty good shape. I was able to use my blower on about 70% of them last Friday (10/18) to clear leaves and detritus.....I did not get to the top of the blue trail, only a portion of it....will try and get up there soon, but it was in good shape last I hiked it in September. There is one tree down on the White Trail between Wintergreen Way and Bobcat Lane, will work with Stephanie on getting it cleared. I'll clear all of them after all the leaves drop, and I plan to take update some of the paint that has worn off the trees in some areas.
2. I would like to buy a new road-side sign for the white trail where it crosses Wintergreen Way and Bobcat. Today, there is only a single sign on one side. I saw a couple on Saturday that couldn't find the section on the other side of the street (Wintergreen Way) because it was covered in leaves and the white tree marker is not readily apparent.

Sports Courts

1. I have two bids to repair and resurface the asphalt.
    1. $83,500 from Craig Paving (Hagerstown)
    2. $77,500 from D&H Paving (Frederick)
2. I have one bid to professionally paint two new Tennis Courts, 3 Pickleball Courts and 1 basketball court
    1. $82,000 from Wagner Sports in Hagerstown - they just did the courts in Berkeley Springs, came highly recommended.
3. Remaining: Price to tear out two of the old tennis court poles, and replace with poles for the new Pickleball Courts, and to also modify some of the perimeter fencing.
    1. Guestimating: $15,000 which may cover other unknowns
4. Current total estimate for 2 Tennis, 3 Pickleball and 1 basketball court is ~$180,000 total which I believe is a very realistic number for us to use as we move forward to financing options.

Thanks. Chris Peabody S-5 Wintergreen Way
