Coolfont Mountainside Association Water & Sewer
Board of Directors Meeting – July 19, 2025 Financial Report

Submitted by Dawne Holz, CMA Treasurer

Questions for the Board
None

Overview
The financial reports as of 06/30/25 are provided and cover 50% of the budget year. Operating expenses are on track at 45.09%, income is 47.9%.

Accounts

2025 Q2 Billing
Invoices sent out on June 4, 2025, and were due June 24, 2025. There are three unpaid accounts.

NWRA Loans
Loan payments are split between the loan liability and interest expense. The interest expense appears on the annual operating budget on line 775. The principal remaining on the loan is shown as a liability in the Balance Sheet report. Principal payments are manually included as an expense on the monthly operating budget report.

Proceeds of NRWA loan for Reservoir Rehabilitation were received on 6/24/25. First payment was made on 7/1/25. This will be added to the budget spreadsheets going forward.

Monthly Updates
Updates include details of attached reports as of the end of the previous month.

December/January:
- Updated budget based on new tariffs circulated to WS Committee and Board on 1/5/25 for discussion and approval.
- Will set up the new 2025 budget in QuickBooks when approved. Still working to close out 2024.
- The mileage rate increased from 67 cents/mile to 70 cents/mile (IRS business mileage rate).

January
- All budget lines running about on track.

February
- There are no line-item updates.

March
- Expenses are running on track. No updates.

April
- 705 Water Electric is slightly over budget. Will keep an eye on this line item.
- Reports do not include April payment on NWRA loan. It was paid but had not been posted.

May
- There are no updates to the operating budget, as line items are mostly within budget.

- Infrastructure obligations have exhausted the member's equity and Reserves-Plant Additions for the year, including projected contributions through December 2025.

June

- There are no updates to the operating budget, as line items are mostly within budget.

CMA Monthly Status Report

Committee/Task Force: Water and Sewer Operations Manager

For Month/Year: July 2025

As of: 7/15/25

Submitted By: Cathy Levey, Water and Sewer Operations Manager

Questions / Discussion Points / Approvals Needed (for the Board)

Approving Cindy Kelleher as our new water and sewer chairperson.

Monthly Report

Water Report:

After several weeks and fruitless attempts to locate the cause of high pump hours on the South Water System somewhere on the non-metered lines, the source of the problem was ultimately isolated to the slow booster pump at the South Pump House. A call to Shirley Well Drilling on Monday, 7/7/25 resulted in the ordering of a new pump and Tom Shirley's and Kenny's arrival on Friday 7/11/25 to replace the pump. To our surprise, the existing pump was in excellent condition, however, the post the pump rests on was riddled with holes. After replacing the post only, the pump hours have dropped from between 16 to 24 hours in a 24-hour period to 6 to 8 hours in a 24-hour period.

On July 4th, the Weinberger Reservoir suddenly dropped from a full 8 feet to 5 and ½ feet. As the operations manager isolated the cause of the drop to one home (in their water line), our site manager, Steph Rebant, and Cindy Kelleher, W/S co-chair, reached out for assistance in trucking in potable water. Trucking in potable water was deemed necessary due to several factors: the low level in the reservoir, the unresolved "slow" booster pump in the South Pump House that fills Weinberger, and a very high holiday weekend occupancy. Mark's Water Delivery delivered two truckloads of potable water, 3000 and 5000 gallons each. Despite 8000 gallons added to the reservoir, the pump continued to pump non-stop throughout the weekend in order to refill and meet demand.

The access road to Weinberger was completed by G.H.S. Excavating over a three-day (7/10, 7/11 and 7/14) period, covering the newly graded switchback with shale and crusher run.

CMA Monthly Status Report

Lucas Andrews, of Poly Coating Solutions began work on refurbishing Weinberger Reservoir on Tuesday 7/15 and commented the new road is making for ease of access for their equipment and trucks.

After emptying one chamber of the Weinberger Reservoir late last week, through usage and via the drain, Lucas Andrews began power washing the interior wall of the empty chamber on Tuesday 7/15, with the remaining schedule including repairs to the spalling and concrete on Wednesday as well as power washing the building exterior, sealing the interior walls on Thursday and drying on Friday. Next week will begin emptying the second chamber through usage and via drain, testing the newly refurbished chamber with two samples in a 24-hour period and ultimately distributing water from the newly filled chamber upon completion of satisfactory results. The second chamber will follow the same steps as the first chamber.

The following work is to be scheduled in the near future: replacing a “lazy” float switch in the Weinberger Reservoir, replacing the T Section meter, replacing the pressure reducing valve at the ABCD Section meter, and replacing one of the pumps at the lift station.

CMA Monthly Status Report

Committee/Task Force: Water and Sewer Operations Manager

For Month/Year: July 2025

As of: 7/15/25

Submitted By: Cathy Levey, CMA Water and Sewer Operations Manager

Questions / Discussion Points / Approvals Needed (for the Board)

Nothing at this time.

Monthly Report

Wastewater Report:

While awaiting the return of IMS contractor prior to 9/7/2025, we have addressed the following at the lagoon and wetlands: cleaned up and removed trash, old fence posts and rebars and old aerator parts, followed up on repair of the electrical wiring by Darin Beddow's Electrical Service, reinstalled the aerators and set up a temporary safety station thanks to Max Reynolds, our operator (with cords buried in conduit), and followed up to safely have the grass cut, avoiding the rough berm. Additionally, we have reached out for three estimates for a new fence around the lagoon that would meet regulations and three estimates for replacing the electrical wiring at the lagoon and at the UV System. We have also reached out for help in removal of the sludge deposited in the wetlands and ordered additional UV bulbs and subassemblies as the sludge impacts on the UV System.

Six reminders for septic service/pumping for July have been sent out with one compliance response and five awaiting responses.

CMA Monthly Status Report

Committee/Task Force: *Water and Sewer Finance Report*

For Month/Year: *June 2025*

As of: July 15, 2025

Submitted By: *Cindy Kelleher, Committee Member*

Questions / Discussion Points

Finance Approval for the remaining $42,000 Reservoir Rehab Renovation Project. (Requires Motion on CMA portion of the Financing) Note the project, contractor and NRWA Loan have been approved.

Request a No Parking Sign be posted across from the North Pump house. Parking for Pump House only. The houses as well as a recent boat have been parked in space.

Monthly Report

- **Frontier/ Distinctive Data Communication**
  - The invoice as well as documentation was sent requesting $2999.20. We have followed up several times.
- **Warm Springs PSD Contract**
  - Language dispute around the ability to change the services and thus the rate.
  - Next Step
    - Both Parties execute
- **Lagoon Liner**
  - Tentative completion date September 7th
    - Will be communicating with IMS that CMA will need to move forward with the work.
    - Received the NRWA Laon money and ACH payment has been set up.
- **Water Tank Rehab (Reservoir)**
  - Project has begun
- **Staffing** – Employee will be having 90-day review July 17th.
- **Safety and Security**
  - Safety Station established
  - Fence Quotes obtained

Coolfont Mountainside Association

Board of Directors Meeting – July 19, 2025 Financial Report

Submitted by Dawne Holz, CMA Treasurer

Questions for Board

1. The Board should consider rescinding the March 15, 2025, motion for pool fee, as the new pool pass system has satisfied the budgeted income:

MOTION: Mr. Rosenberg moved, Mr. Creason seconded, to charge an amenity fee for pool usage for every rental property with the amount to be determined, but likely $300, with the final amounts sent out to all owners who rent once calculations are completed. The motion passed with Ms. Holz opposed and Mr. Katz abstained (4-1-1).

Overview

The financial reports as of 06/30/25 are provided and cover 50% of the year. Expenses are at 47.6% of budget with 96.8% of the income collected.

Meetings

The Finance Committee met July 14 to begin work on the 2026 budget.

Delinquent Accounts

There are no unpaid 2025 assessment accounts. There are two outstanding accounts with violation fines.

2026 Budget

The Finance Committee started work on the 2026 budget. Hope to provide a draft budget to board at August board meeting. To be voted on by members at Annual Meeting.

Updates

Updates include details of attached reports as of the end of the previous month.

December/January

- Set up new 2025 budget in QuickBooks. Still working to close out 2024.
- BTM will complete transfer from CMAWS for final payroll
- BTM will reallocate other payroll items to CPO and Pool Attendants, as appropriate.
- Waiting on any final 2024 invoices.
- Set up memorized QB transfers for CMA and CMAWS for reserve funds, respectively.
- Finance Charge rate (interest rate) updated to 10.5% for 2025 (Prime 7.5% + 3%)
- Mileage rate increased from 67 cents/mile to 70 cents/mile (CMA uses IRS business mileage rate). Updated Neighborhood Watch mileage spreadsheet with new rate for 2025, though no reimbursements have been requested since April 2024.
- Invoices for 2025 Annual Assessments were sent out on 1/1/25. Reminders will go out on/about 1/15/25 and again just before the deadline of 1/31/25. Late fees will be applied after Feb 1.

January

- 2024 Report: Still two corrections to make:
- 750 Misc Operation belongs under 443 Pool Attendants
- 66000 Payroll Expenses to be reimbursed from WS
- 550 Storm Water maintenance expense will be moved to Reserves
- 66000 Payroll shows a credit, as the 2024 WS transfer was posted on 1/8/25

- 762 Payment Processing fees are paid mostly in January as assessments are received

February

- Late fees applied to outstanding accounts per C&Rs. Statements mailed to owners.
- 540 Snow Removal budget is exhausted. Hopefully, no additional plowing will be needed this year. Still better than last year!
- 795 Reserve Study, we sent 50% deposit to get Reserve Update work started.
- PayPal donations of $300 from 2022 event transferred from PayPal to 381 Misc Income (for social events)
- Payment processing fees running under budget as more owners opted for ACH/Direct debit with lower fees.

March

- Finance charges applied to outstanding accounts on 3/31. Statements emailed.
- 645 Mail Center Maintenance is up due to clearing/treating ice around center, issuance of keys, and lock changes. This is mostly offset by 381 Misc Income which includes the $150 one-time fees collected when a new box is issued.
- 66000 Payroll will be reimbursed from WS in April.

April

- 850/855 Insurance payments are posted on one line, instead of split. Will be corrected on May reports. Overall, slightly over budget due to increased premium and adding cybersecurity coverage.

May

- CD 93831 matured on 5/19/25 and was renewed as 10-month CD at 3.92%, $52,482.71, matures on 3/19/26.
- Payroll expenses of $7,205.59 are for WS payroll and will be reimbursed at the end of the quarter.

June

- Separated out income from Resale Packages as line 382 to provide transparency. Previously, these were offsetting Association Business expenses.
- Updated budget line items to create budget line for 782 Meeting Minutes under 780 Professional Services. This will allow the Association to track bookkeeping and minutes separately.
- Sent out notices to committees, contract managers, task force chairs asking for budget requests for 2026 budget.
- 430 Pool Supplies slightly over budget as it includes expenses for new pool pass system that will be offset by income from new system.

Reserve Study Update

- Sent contractor info of Board approval of report with Alternate Financing plan.
- Waiting for receipt of final report. Emailed contractor about status on 7/16/25.

Professional Management – No Update

A member of the Finance Committee has volunteered to investigate options for professional management of the Association. There are a few companies that will manage small associations like CMA and do business in WV. Professional management would provide day-to-day operations of the

association in cooperation with the existing Site Manager. They would provide a dedicated manager to oversee contracts, invoicing, violations, hearings, budget, assessment billing, resale packages, collections, lien filing, and a plethora of other administrative tasks (including pool management if needed). Professional management provides the association with continuity that is sometimes lost when board members or volunteers leave. Need the board's opinion on whether to provide quotes for services at next meeting.

- Working on a better solution for securing owner documents. No volunteers from request sent in March. We may need to hire support services.
- An owner suggested creating a webpage to provide access via links to recorded documents or static documents for any agreements CMA has entered (such as easements). Web team is working on page and links. No update.
- Owner suggested adding board member term expiration dates. This has been updated on the Board of Directors page.

For Month/Year: *JULY 2025*

As of: 07/14/25

Submitted By: *Mark Johnson, Chair*

Questions / Discussion Points / Approvals Needed (for the Board)

1. **I will be resigning from my Firewise Chair position September 1, 2025. The time to find a new Chair for this important committee is NOW. It's been a privilege to serve the CMA in this capacity.**

Monthly Report

The first phase of reporting of Homeowner "Volunteer Hours" concluded 7/1/25. Although a meaningful amount of hours were reported they came ***from less than 20% of the Homeowners.*** *As a homeowner as well as the Firewise Chair, I am disappointed in the response. The second phase of reporting should begin October 1, 2025 and will conclude November 10, 2025. The goal is to have the majority of homeowners participate is this program to help CMA renewal it's Firewise 'Good Standing" status for 2025-2026.*

As stated above I'm resigning 9/1/25 and the NEW FIREWISE CHAIR WILL BE responsible for launching phase two, collecting the information, and renewing CMA's Firewise application. I can assist the new Chair with this process.

Estimated	EB Fees	Pool Pass System, EB Fees for website to date	$ 2,610.36	$ 4,041.06

* Final amounts will not be available until the end of the pool season (9/1) when sales of Day Passes have closed, and all expenses are submitted. Any income more than the approved budget will be put in the general fund and/or earmarked for future pool expenses, per Board discretion.

Distribution

Distribution of Pool Passes included pass pick up days and mailed packets. Picked up packets were signed for in the log by owners or their representative. Mailed packets were noted in the log by the volunteer mailing the packets. Any packets not picked up by June 30 were mailed to owners. Owners who did not use the pool last year and did not contact us about their passes this year, were emailed and asked if they still wanted their passes mailed to their address on record. Approximately 3 owners did request mailing their passes. Any remaining owner packets of free passes are secured in the office. Owners were notified they can contact the pool staff to arrange to pick up their passes, if needed. The pickup log will be maintained with Pool Records for two years (dispose 9/1/27).

Feedback

Our feedback system has recorded 16 messages sent to the board or Google Group with feedback on the Pool Pass Pilot Program. Feedback is anonymized in the storage system. These comments will be reviewed by volunteers evaluating the Pilot Program at the end of the season to assist with recommendations to the board for next pool season.
