Coolfont Mountainside Association Water & Sewer
Board of Directors Meeting – October 20, 2025 Financial Report

Submitted by Dawne Holz, CMA Treasurer

Questions for the Board

None.

Overview

The financial reports as of 09/30/25 are provided and cover 75% of the budget year. Operating expenses are over budget at 77%, income is 84%.

Accounts

2025 Q3 Billing

Invoices sent out on September 3, 2025, and were due September 23, 2025. There are three unpaid accounts. Invoices were emailed again on 9/23 and statements mailed on 10/2.

Loans

Loan payments are split between the loan liability and interest expense. The interest expense appears on the annual operating budget. The principal remaining on the loans is shown as a liability in the Balance Sheet report. Principal payments are manually included as expenses on the monthly operating budget report.

Monthly Updates

Updates include details of attached reports as of the end of the previous month.

December/January:

- Updated budget based on new tariffs circulated to WS Committee and Board on 1/5/25 for discussion and approval.
- Will set up the new 2025 budget in QuickBooks when approved. Still working to close out 2024.
- The mileage rate increased from 67 cents/mile to 70 cents/mile (IRS business mileage rate).

January

- All budget lines running about on track.

February

- There are no line-item updates.

March

- Expenses are running on track. No updates.

April

- 705 Water Electric is slightly over budget. Will keep an eye on this line item.
- Reports do not include April payment on NWRA loan. It was paid but had not been posted.
- Notable Minutes contract is an unbudgeted expense.

May

- There are no updates to the operating budget, as line items are mostly within budget.

- Infrastructure obligations have exhausted the member's equity and Reserves-Plant Additions for the year, including projected contributions through December 2025.
- Payroll for Assistant Operations Manager is an unbudgeted expense.

June

- There are no updates to the operating budget, as line items are mostly within budget.
- NRWA loan for Reservoir Rehab is an unbudgeted expense.

July

- 775 Interest expense was expanded to 776 and 777 for the two NRWA loans.
- Several expense line items are running above budget. We will continue to monitor expenses.

August/September

- 605 Association Business Fees is over budget due to advertising the Asst position and increased PSC annual fee.
- 606 Payment Processing fees is over budget as it was estimated based on the previous tariff rates. With higher rates, and higher invoices, payment fees are higher than anticipated.
- CMA Loan for Reservoir Rehab now shows as liability on balance sheet. Interest will show on expense report starting in October (first payment due 10/1/25).

Monthly Report

Water:

On 9/25/23, the crew from Distinctive were back onsite to install underground fiber optics between Whippoorwill Way and Woodpecker Drive. Water and sewer lines were marked by the operations manager with follow up oversight. A retired water line was hit with no consequence.

Three responses (two of an emergency nature) were made by the operations manager over the past month regarding water leaks at the CMA homes: 9/24/25 a major water line leak at M-3, 9/28/25 a relatively minor water line leak at H-7, and 10/3/25 an interior water pipe break in the basement wall at N-1 causing extensive flooding to the basement. On two occasions, water service to the Lower K and L Sections was reduced/eliminated until the water meters were shut off at homes that sustained leaks.

9/25/25 through 10/13/25 Tom Holz and I met with Nicholas di Maurio of GDIT for third party support in completing our Cybersecurity Risk Assessment, as required by the WVPSC on behalf of the EPA, fulfilling a requirement from Homeland Security. After meeting with Nicholas via Zoom for approximately 3 hours and receiving a final report from Nicholas, Tom and I were able to complete the required form and mail it to the WVPSC in Charleston on 10/14/25 to meet our annual obligation. Sincere thanks to Tom for his critical assistance.

CMA Monthly Status Report

On 9/26/25 the operations manager ordered critical water system supplies to finish the year. No further supply orders are anticipated.

On 10/1/25 the operations manager met with the water and sewer chairperson to finalize the capital budget for review by the committee and the board.

On 10/6/25, the crew from G.H.S. Excavating completed the work on the access road to R Reservoir, which included clearing of the ditch and two culverts and widening the entrance. Accessibility is much improved.

On 10/9/25, the operations manager reviewed the site manager's contract, at the request of the water and sewer chairperson, regarding water and sewer support. Several recommendations were made to the CMA Board president.

On 10/10/25, Tom Holz and I met with Joe Bryner of Poly Coating Solutions to strategize the next steps of the refurbishment project. Details to be provided upon request but the strategy, in short, involves two men, a generator, a heat source, and some hand tools. Tom sent Joe some original photos of the R Reservoir under construction, which Joe found very helpful. Thanks to a diagram Tom created of the R Reservoir after our meeting with Joe, the operations manager was able to share the diagram with Tom Shirley on 10/14, which triggered a simpler and less expensive approach to temporary water service during the refurbishment project.

9/27/25 through 10/14/25 The operations manager has been working with Tom Shirley, of Shirley Well Drilling, on the best solution for water service provision to the Upper K, Q and R Sections during the upcoming R Reservoir refurbishment project. The recommendation of a temporary poly tank was discarded in favor of a second float switch in the back two holding tanks and separating the project into two separate steps.

Two leaks are being monitored and have been further isolated on the South Water System (in the L and N Sections) with plans for repairs in 2026. No leak concerns on the North Water System at this time.

Questions / Discussion Points / Approvals Needed (for the Board)

1. Requesting that the board approve an additional $3000 for an adjustment to the newly installed lagoon fence to include the weir, per the requirement of the WVDEP inspector.

Monthly Report

Wastewater:

Mike Kanehl, the WVDEP inspector, upon his recent visit to the lagoon on 8/27/25 requested that we install a drain across the access road at the lagoon to reduce erosion from the road into the lagoon. He also stated we must make an adjustment to the newly installed fence to accommodate the weir. An estimate of the cost of the fence adjustment received from ProFence on 9/12/25 was $3000. An estimate for the drain across the lagoon access road was received from G.H.S. Excavating on 10/7/25 for $2500. The adjustment on the fence is a WVDEP requirement and needs be addressed to avoid any future notice of violation.

The 16 homeowners required to pump their septic tanks this month are currently being sent reminders.

Operations manager is working with Tom Shirley, of Shirley Well Drilling, on costs and approach to replacing one of the pumps at our lift station.

Our first testing samples from the lagoon discharge pipe that were done since the installation of the lagoon liner came back with exceptional results. The testing was

performed on September 23 and the nitrogen/ammonia results were well below the 3.0 limit at 0.44.

Thanks to Tom Holz's critical support, the WV DEP 5 year discharge permit was successfully renewed on 10/13/25 for a cost of $420 under a general permit with a permit specific to CMA WWTP WVG550884 to follow before March 31, 2026.

Research done on septic field locations and integrity and reported to W/S Committee on 10/8/25.

Board of Directors Meeting – October 20, 2025 Financial Report

Submitted by Dawne Holz, CMA Treasurer

Questions for Board

1. Allocation of funding for legal expense retainer.
2. Rescind motion for pool fee on rental properties.

Overview

The financial reports as of 09/30/25 are provided and cover 75% of the year. Expenses are noted at 80.3% of budget with 103% of the income collected.

Payroll expenses of $7,169 will be reimbursed from WS – making actual expenses to date or 77.5%.

Delinquent Accounts

There are no unpaid 2025 assessment accounts.

2026 Budget

The membership approved the 2026 budgets, with assessments set at $1,800 per property for 2026.

Updates

Updates include details of attached reports as of the end of the previous month.

December/January

- Set up new 2025 budget in QuickBooks. Still working to close out 2024.
- BTM will complete transfer from CMAWS for final payroll
- BTM will reallocate other payroll items to CPO and Pool Attendants, as appropriate.
- Waiting on any final 2024 invoices.
- Set up memorized QB transfers for CMA and CMAWS for reserve funds, respectively.
- Finance Charge rate (interest rate) updated to 10.5% for 2025 (Prime 7.5% + 3%)
- Mileage rate increased from 67 cents/mile to 70 cents/mile (CMA uses IRS business mileage rate). Updated Neighborhood Watch mileage spreadsheet with new rate for 2025, though no reimbursements have been requested since April 2024.
- Invoices for 2025 Annual Assessments were sent out on 1/1/25. Reminders will go out on/about 1/15/25 and again just before the deadline of 1/31/25. Late fees will be applied after Feb 1.

January

- 2024 Report: Still two corrections to make:
- 750 Misc Operation belongs under 443 Pool Attendants
- 66000 Payroll Expenses to be reimbursed from WS
- 550 Storm Water maintenance expense will be moved to Reserves
- 66000 Payroll shows a credit, as the 2024 WS transfer was posted on 1/8/25
- 762 Payment Processing fees are paid mostly in January as assessments are received

February

- Late fees applied to outstanding accounts per C&Rs. Statements mailed to owners.
- 540 Snow Removal budget is exhausted. Hopefully, no additional plowing will be needed this year. Still better than last year!
- 795 Reserve Study, we sent 50% deposit to get Reserve Update work started.
- PayPal donations of $300 from 2022 event transferred from PayPal to 381 Misc Income (for social events)

- Payment processing fees running under budget as more owners opted for ACH/Direct debit with lower fees.

March

- Finance charges applied to outstanding accounts on 3/31. Statements emailed.
- 645 Mail Center Maintenance is up due to clearing/treating ice around center, issuance of keys, and lock changes. This is mostly offset by 381 Misc Income which includes the $150 one-time fees collected when a new box is issued.
- 66000 Payroll will be reimbursed from WS in April.

April

- 850/855 Insurance payments are posted on one line, instead of split. Will be corrected on May reports. Overall, slightly over budget due to increased premium and adding cybersecurity coverage.

May

- CD 93831 matured on 5/19/25 and was renewed as 10-month CD at 3.92%, $52,482.71, matures on 3/19/26.
- Payroll expenses of $7,205.59 are for WS payroll and will be reimbursed at the end of the quarter.

June

- Separated out income from Resale Packages as line 382 to provide transparency. Previously, these were offsetting Association Business expenses.
- Updated budget line items to create budget line for 782 Meeting Minutes under 780 Professional Services. This will allow the Association to track bookkeeping and minutes separately.
- Sent out notices to committees, contract managers, task force chairs asking for budget requests for 2026 budget.
- 430 Pool Supplies slightly over budget as it includes expenses for new pool pass system that will be offset by income from new system.

July

- 820 Postage is over budget due to certified and priority mailings.
- Invoices for Annual Membership Dinner will be sent from QB billing system.
- 680 Violation Expenses are offset by 381 Misc Income (violation fines paid)
- 645 Mail Center Maintenance is offset by 381 Misc Income (mailbox fees paid)

August/September

- 570 Grounds Maintenance over budget due to general site upkeep posted to this line item. Next year's contract will include this as part of Site Manager contract.
- 790 Legal over budget due to increased retainer for filing declaratory judgement.
- Other expenses seem to be running on track for the year.
- CMA Loan to Water/Sewer now shows as an asset on the Balance sheet.

Resale Updates

- Waiting on document to be provided to post updated Bylaws (from annual meeting) to HomeWiseDocs site.

Board of Directors Meeting – October 20, 2025 Financial Report

Submitted by Dawne Holz, CMA Treasurer

Professional Management – No Update

A member of the Finance Committee has volunteered to investigate options for professional management of the Association. There are a few companies that will manage small associations like CMA and do business in WV. Professional management would provide day-to-day operations of the association in cooperation with the existing Site Manager. They would provide a dedicated manager to oversee contracts, invoicing, violations, hearings, budget, assessment billing, resale packages, collections, lien filing, and a plethora of other administrative tasks (including pool management if needed). Professional management provides the association with continuity that is sometimes lost when board members or volunteers leave.
