CMA Monthly Status Report

Committee/Task Force: Water and Sewer Operations Manager Report

For Month/Year: Oct/Nov 2025

As of: November 10, 2025

Submitted By: Cathy Levey, CMA Water and Sewer Operations Manager

Questions / Discussion Points / Approvals Needed (for the Board)

Nothing this month.

Monthly Report

Wastewater:

The contract for the adjustment to the new fence at the lagoon to accommodate the weir was signed by Steve Katz, CMA Board president, on 10/23/2025, and ProFence will contact us as soon as they have schedule availability.

There are currently 9 homes remaining for this year to have septic pumps serviced/pumped with reminders and scheduling ongoing.

The list for septic pumps to be serviced and pumped in 2026 is nearing completion.

Water:

The “one pager” discussing the future management/potential acquisition was sent out by the CMA Board as of 11/2/2025. The second RFI addressing both management and potential acquisition is currently under review and is anticipated to be sent out soon.

We are currently monitoring two leaks of some significance on the South Water System for repair in 2026.

CMA Monthly Status Report

We are continuing to address the significant deficiencies from the August sanitary survey, with the back flow policy under review by the water and sewer committee, a new vent with screen installed on the chamber at the North Pump House, and screening to be done at both Weinberger and R Reservoir this week. We are still looking at the best option for sealing the three hatches at R Reservoir.

On 10/29/2025, we emptied the two back holding tanks at R Reservoir in anticipation of the cleaning and refurbishing project. The crew from Poly Coating Solutions were onsite on 11/3/2025 to complete the work on those two chambers and will be returning the week of 11/10 to perform the solvent wipe test prior to refilling the tanks. Service will be restored after two bacterial tests come back absent of bacteria. Water service to the Q, R, and Upper K Sections is currently being provided by way of the front 1000 gallon holding tank.

Routine monitoring of the section meters, pressure testing and exercising valves is ongoing.

Coolfont Mountainside Association

Board of Directors Meeting – November 15, 2025 Financial Report

Submitted by Dawne Holz, CMA Treasurer

Resale Updates

- Added the member-approved Bylaw amendment to the Homewise documents.

Professional Management – No Update

A member of the Finance Committee has volunteered to investigate options for professional management of the Association. There are a few companies that will manage small associations like CMA and do business in WV. Professional management would provide day-to-day operations of the association in cooperation with the existing Site Manager. They would provide a dedicated manager to oversee contracts, invoicing, violations, hearings, budget, assessment billing, resale packages, collections, lien filing, and a plethora of other administrative tasks (including pool management if needed). Professional management provides the association with continuity that is sometimes lost when board members or volunteers leave.

Small update, I did clear about 90% of the trails yesterday and this AM. Only thing not cleared was the very top of the blue trail.

CMA Monthly Status Report

Committee/Task Force: *Welcome Committee*

For Month/Year: *Oct/Nov, 2025*

As of: 11/11/15

Submitted By: *Rosemary Bigelow, Chair*

Questions / Discussion Points / Approvals Needed (for the Board)

I would like the Board to find a new chairman for the Welcome Committee. I would like to remain on the committee and continue to do Welcome visits. However, I'd like someone else to take over the Chair position which entails writing Welcome letters, doing follow up for questions that come up, buying Welcome basket supplies and assembling the baskets, scheduling the Welcome visits, as well as doing the visits. (The Committee needs at least one other member who can navigate stairs. Current members besides me are Georgia Lowman, Leila Keese and Joanie Zuckerman. Neither Leila nor Joanie are here that often and Georgia cannot walk up stairs, so I am mostly doing the visits by myself.)

Monthly Report

I sent 1 Welcome letter (no response) to Andy Skinner, new owner of I-3.

I owe a letter to the Winns – new owners of K-2.
