Coolfont Mountainside Association Water & Sewer
Board of Directors Meeting – December 15, 2025 Financial Report

Submitted by Dawne Holz, CMA Treasurer

Questions for the Board

None.

Overview

The financial reports as of 11/30/25 are provided and cover 91.7% of the budget year. Operating expenses are on track at 91.5%, income is 85.2%.

WS is currently operating at a loss of $11k. The December invoicing of approximately $38k will cover the loss in 2025, but it's unknown if it will also cover all the operating expenses until the next billing in March 2026.

Accounts

2025 Q4 Billing

Invoices sent out on December 3, 2025, and are due December 23, 2025.

Loans

Loan payments are split between the loan liability and interest expense. The interest expense appears on the annual operating budget. The principal remaining on the loans is shown as a liability in the Balance Sheet report. Principal payments are manually included as expenses on the monthly operating budget report.

Monthly Updates

Updates include details of attached reports as of the end of the previous month.

December/January:

- Updated budget based on new tariffs circulated to WS Committee and Board on 1/5/25 for discussion and approval.
- Will set up the new 2025 budget in QuickBooks when approved. Still working to close out 2024.
- The mileage rate increased from 67 cents/mile to 70 cents/mile (IRS business mileage rate).

January

- All budget lines running about on track.

February

- There are no line-item updates.

March

- Expenses are running on track. No updates.

April

- 705 Water Electric is slightly over budget. Will keep an eye on this line item.
- Reports do not include April payment on NWRA loan. It was paid but had not been posted.
- Notable Minutes contract is an unbudgeted expense.

Coolfont Mountainside Association Water & Sewer
Board of Directors Meeting – December 15, 2025 Financial Report

Submitted by Dawne Holz, CMA Treasurer

May

- There are no updates to the operating budget, as line items are mostly within budget.
- Infrastructure obligations have exhausted the member's equity and Reserves-Plant Additions for the year, including projected contributions through December 2025.
- Payroll for Assistant Operations Manager is an unbudgeted expense.

June

- There are no updates to the operating budget, as line items are mostly within budget.
- NRWA loan for Reservoir Rehab is an unbudgeted expense.

July

- 775 Interest expense was expanded to 776 and 777 for the two NRWA loans.
- Several expense line items are running above budget. We will continue to monitor expenses.

August/September

- 605 Association Business Fees is over budget due to advertising the Asst position and increased PSC annual fee.
- 606 Payment Processing fees is over budget as it was estimated based on the previous tariff rates. With higher rates, and higher invoices, payment fees are higher than anticipated.
- CMA Loan for Reservoir Rehab now shows as liability on balance sheet. Interest will show on expense report starting in October (first payment due 10/1/25).

October

- First payment made on CMA Loan for reservoir rehab project.
- WSPSD now billing at new (lower) contract rate.
- Final road work invoice paid from WS Reserves.

November

- As expected, 415 Water System Labor – WSPSD is over budget due to PSC delays in approving the reduced cost contract in 2025.

CMA Monthly Status Report

Committee/Task Force: *Water and Sewer Committee*

For Month/Year: *November 2025*

As of: December 5, 2025

Submitted By: *Cindy Kelleher, Chairperson*

Questions / Discussion Points

- ✔ Requesting an additional call for members or Ad hoc support from the community.
- ✔ Approval of the Customer Service Interruption Policy
  - *Approval of the Backflow Policy*
- ✔ *Experienced Water Service Interruption due to the heavy use of the system Thanksgiving weekend.*

Monthly Report

a. No response for New Committee Members or even Ad Hoc assistance. Our request remains: Water Conservation Support, Policy Support, New Technology Support and Communication Support.
b. Policy
   i. Cyber Security – Requires filing at Court House
   ii. Customer Service Interruption – Requires Board Approval
   iii. Process Backflow – In Process
   iv. 3 Owners Notified of Non-Compliance with Septic Maintenance Policy
c. Operations
   i. Water System Inspection – We have responded to most of the significant deficiency, and we are reviewing minor deficiency.
d. Financial Update
   i. We continue to monitor our cash flow.
e. Capital Projects,
   i. 5 Year Capital Plan Developed – Under review by Committee
   ii. Liner Replacement - Completed
      1. Fence Modification $2,000 Complete
   iii. R Reservoir – Completed

CMA Monthly Status Report

Committee/Task Force: Water and Sewer Operations

For Month/Year: December 2025

As of: 12/8/2025

Submitted By: Cathy Levey, Water and Sewer Operations Manager

Questions / Discussion Points / Approvals Needed (for the Board)

None

Monthly Report

Wastewater:

The samples done at the lagoon on November 13, 2025, came back with excellent results: no nitrogen/ammonia detected.

The adjustment to the fence was completed on 12/1/2025, well below the $3100 estimated at $1852.60. There is now full access to the weir.

The aerators require clearing and restarting every few days to ensure full effectiveness.

All but three homeowners are in compliance with septic pumping for this year. Our water and sewer chairperson is following up with those not in compliance.

Water:

On 11/19/2025, a repair was done by G.H.S. Excavating crew in the L Section to address two leaks on the water lines adjacent to the L-5 house meter.

CMA Monthly Status Report

Responses to the significant deficiencies triggered from our 2025 sanitary survey are ongoing. The water and sewer committee are nearing completion of the backflow policy, all vents have been screened, and a solution to the sealing and locking of the three lids at R Reservoir is progressing.

The sealing and refurbishing of the R Reservoir was completed by Polycoating Solutions on 11/28/2025 and, after two water samples came back "absent" of bacteria, all three chambers were opened for full water service distribution on 12/5/2025. Tom Shirley was onsite 12/8/2025 to disconnect the temporary float switch, restoring the permanent float switch to full use.

A repair to a hole in the back wall of R Reservoir was recently completed (on 11/24/2025) with sealing done to all small cracks in the building.

Current leak status as noted: No further leaks in the H Section and ABCD Section and leaks in the LMNO Sections reduced by at least half (with one small leak in the L Section and a second small leak in the N Section near the N-4 meter.) A small leak exists in the Lower K blow off and a concerning leak recently occurred in the I Section prv replaced on 3/31/2025. John Hobday and I met on 12/2/2025 to determine the cause of the leak is a relatively new 1" fitting that has cracked at the threads. Monitoring of the leak will be ongoing. There is concern about repairing in the winter months due to brittle and less flexible pipes and fittings, limited finances, the complexity of the repair and less than ideal conditions for the crew who will be doing the work.

Notification Procedure for Water Outages

Coolfont Mountainside Association will provide notice to customers during unplanned and planned water outages in accordance with this policy.

Customers must be notified of a Boil Water Notice (BWN) within 6 hours of any water outage. This procedure is following West Virginia Bureau for Public Health Procedure DW-23 - Boil Water Notices for Public Water Systems dated July 30, 2025.

For Unplanned Outages

1. Identify customers affected by the outage.
    a. Review of customers who called in water outages.
    b. Review residences and facilities potentially affected by water leaks or main breaks.
2. Notify affected customers by email and/or text message as soon as possible or within 6 hours of a Boil Water Notice/Do Not Use (BWN/DNU).
3. Make the repairs, collect, and analyze required samples.
4. Notify the Environmental Engineering Division at the WV Department of Health (WVDH) of sample results.
5. When WVDH confirms receipt of test results and notices, lift the BWN/DNU by notifying affected customers by email, text message, and/or posted notice as soon as possible.

For Planned Outages

1. Identify customers affected by the planned outage.
2. Notify affected customers by email and/or text message 24 to 48 hours in advance, so other arrangements can be made for water services.
3. Make the repairs, collect, and analyze required samples.
4. Notify the Environmental Engineering Division at the WV Department of Health (WVDH) of sample results.
5. When the WVDH confirms receipt of test results and notices, lift the BWN/DNU by notifying affected customers by email, text message, and/or posted notice as soon as possible.

Updating Customer Information

Introduction

In accordance with the West Virginia Public Service Commission General Order No. 266, CMA Water provides a process to notify customers by e-mail and/or text message regarding service outages and request updated contact information from customers.

Responsibilities

Customers will ensure their information remains accurate by promptly reporting changes to the CMA Bookkeeper via contact information on the CMA website. Coolfont Mountainside Association bookkeeper will process requests efficiently and ensure the integrity of customer data. Updates will be reflected within 3 to 5 business days from the date of receipt.

Coolfont Mountainside Association will take all reasonable steps to ensure that Customer Information is updated, including New Owner Contact Form submission, phone calls, Quarterly bill messages.
Data will be updated as inaccuracies are discovered. For instance, if a customer can no longer be reached on their stored phone number, it will be updated or removed from the database.

Opt-Out of Notifications

Instead of providing a phone number or email address, a customer may contact Coolfont Mountainside Association to opt out of communication.

Data Protection

Customer information will be stored securely in the customer database. Access to a customer's personal identity information is limited to authorized staff.

Applicability

All employees, contractors, and operators of Coolfont Mountainside Association water utilities will receive a copy and comply with the Coolfont Mountainside Association Customer Notification Policy for Planned and Unplanned Water Outages. Violations of this policy may be grounds for disciplinary action.

Policy Review and Updates

The policy will be reviewed annually by the Water and Sewer Committee and/or CMA Board to ensure compliance with relevant regulations and operational efficiency.

Approval

This Customer Notification Policy for Planned and Unplanned Water Outages was accepted and duly approved by the Coolfont Mountainside Association Board of Directors on December 15, 2025.

Board of Directors Meeting – December 15, 2025 Financial Report

Submitted by Dawne Holz, CMA Treasurer

Questions for Board

None

Overview

The financial reports as of 11/30/25 are provided and cover 91.7% of the year. Expenses are noted at 97.7% of budget with 103.8% of the income collected.

Payroll expenses will be reimbursed from WS – this is for reference only and is not included in the expense percentage.

Delinquent Accounts

There are no unpaid 2025 assessment accounts.

Updates

Updates include details of attached reports as of the end of the previous month.

December/January

- Set up new 2025 budget in QuickBooks. Still working to close out 2024.
- BTM will complete transfer from CMAWS for final payroll
- BTM will reallocate other payroll items to CPO and Pool Attendants, as appropriate.
- Waiting on any final 2024 invoices.
- Set up memorized QB transfers for CMA and CMAWS for reserve funds, respectively.
- Finance Charge rate (interest rate) updated to 10.5% for 2025 (Prime 7.5% + 3%)
- Mileage rate increased from 67 cents/mile to 70 cents/mile (CMA uses IRS business mileage rate). Updated Neighborhood Watch mileage spreadsheet with new rate for 2025, though no reimbursements have been requested since April 2024.
- Invoices for 2025 Annual Assessments were sent out on 1/1/25. Reminders will go out on/about 1/15/25 and again just before the deadline of 1/31/25. Late fees will be applied after Feb 1.

January

- 2024 Report: Still two corrections to make:
- 750 Misc Operation belongs under 443 Pool Attendants
- 66000 Payroll Expenses to be reimbursed from WS
- 550 Storm Water maintenance expense will be moved to Reserves
- 66000 Payroll shows a credit, as the 2024 WS transfer was posted on 1/8/25
- 762 Payment Processing fees are paid mostly in January as assessments are received

February

- Late fees applied to outstanding accounts per C&Rs. Statements mailed to owners.
- 540 Snow Removal budget is exhausted. Hopefully, no additional plowing will be needed this year. Still better than last year!
- 795 Reserve Study, we sent 50% deposit to get Reserve Update work started.
- PayPal donations of $300 from 2022 event transferred from PayPal to 381 Misc Income (for social events)
- Payment processing fees running under budget as more owners opted for ACH/Direct debit with lower fees.

Coolfont Mountainside Association

Board of Directors Meeting – December 15, 2025 Financial Report

Submitted by Dawne Holz, CMA Treasurer

March

- Finance charges applied to outstanding accounts on 3/31. Statements emailed.
- 645 Mail Center Maintenance is up due to clearing/treating ice around center, issuance of keys, and lock changes. This is mostly offset by 381 Misc Income which includes the $150 one-time fees collected when a new box is issued.
- 66000 Payroll will be reimbursed from WS in April.

April

- 850/855 Insurance payments are posted on one line, instead of split. Will be corrected on May reports. Overall, slightly over budget due to increased premium and adding cybersecurity coverage.

May

- CD 93831 matured on 5/19/25 and was renewed as 10-month CD at 3.92%, $52,482.71, matures on 3/19/26.
- Payroll expenses of $7,205.59 are for WS payroll and will be reimbursed at the end of the quarter.

June

- Separated out income from Resale Packages as line 382 to provide transparency. Previously, these were offsetting Association Business expenses.
- Updated budget line items to create budget line for 782 Meeting Minutes under 780 Professional Services. This will allow the Association to track bookkeeping and minutes separately.
- Sent out notices to committees, contract managers, task force chairs asking for budget requests for 2026 budget.
- 430 Pool Supplies slightly over budget as it includes expenses for new pool pass system that will be offset by income from new system.

July

- 820 Postage is over budget due to certified and priority mailings.
- Invoices for Annual Membership Dinner will be sent from QB billing system.
- 680 Violation Expenses are offset by 381 Misc Income (violation fines paid)
- 645 Mail Center Maintenance is offset by 381 Misc Income (mailbox fees paid)

August/September

- 570 Grounds Maintenance over budget due to general site upkeep posted to this line item. Next year's contract will include this as part of Site Manager contract.
- 790 Legal over budget due to increased retainer for filing declaratory judgement.
- Other expenses seem to be running on track for the year.
- CMA Loan to Water/Sewer now shows as an asset on the Balance sheet.

October

- The last of pool expenses are due in this month. Overall, pool may finish slightly under budget.
- Reminder notices to go out to committees to submit final invoices/reimbursements before the end of the year.

November

- 680 Violation Expenses are offset by violation fees collection and included in 381 Misc Income.

Submitted by Dawne Holz, CMA Treasurer

- 780 Professional Services includes the Notable Minutes expenses which were unbudgeted for 2025.
- Email sent to committee chairs and volunteers to submit any final invoices/reimbursement requests for 2025.

Resale Updates

- Q-4 and L-1 requested information on obtaining resale packages. Referred to HomeWiseDocs.com.

Professional Management – No Update

There is no update on the status of work to identify potential Professional Management for the Association, but the 2026 Board should seriously consider this option for the future of the Association.

A member of the Finance Committee has volunteered to investigate options for professional management of the Association. There are a few companies that will manage small associations like CMA and do business in WV. Professional management would provide day-to-day operations of the association in cooperation with the existing Site Manager. They would provide a dedicated manager to oversee contracts, invoicing, violations, hearings, budget, assessment billing, resale packages, collections, lien filing, and a plethora of other administrative tasks (including pool management if needed). Professional management provides the association with continuity that is sometimes lost when board members or volunteers leave.
