Those homeowners who had **septic tanks** pumped this summer should expect to receive a bill soon from Floyd Bedoes. Call Elmer Broxson if you have a question about the pumping operation.

Jim Bradfield received a notice from the West Virginia Department of Revenue regarding the payment of **sales tax on the rental of a home.** Those homeowners who arrange with Coolfont for the rental of their homes are assured that Coolfont pays the sales tax, and the homeowner is not responsible for also paying this tax. Those homeowners who rent their homes privately should be aware of this West Virginia tax interest.

Members who have not yet paid their **assessments,** please send your checks to Don Kredel (1905 Hancock Street, Arlington VA 22201) as soon as possible. Don will be forwarding penalty delinquency notices in the immediate future.

Also, anyone interested in assisting with the bookkeeping activities of CMA or in learning the financial aspects of the Association with the lofty aspiration of becoming the treasurer next year, please contact Don Kredel (703/522-2385).
