

THE MOUNTAINSIDE NEWS

**** NOTICE **** **July 1991**

ANNUAL MEETING 1991

The Coolfont Mountainside Association's Annual Meeting will be held on Saturday, August 31, in the Thoreau Room at Treetop House beginning at 1 p.m. The Thoreau room will be open at noon for coffee and to talk with Board members and committee members about issues affecting life on the mountainside. Major issues to be discussed include: the new lagoon sewer system scheduled for installation this fall; our urgent need for a new water distribution and fire protection system; and an update on the 1986 Agreement with Coolfont Development Corporation.

At the 1990 Annual Meeting, 32 homeowners neither attended nor provided a proxy. As homeowners, your participation -- or lack of it -- in the decision-making process directly affects your investment at Coolfont. Come to the Annual Meeting, learn what options are facing the Association, and make sure your opinions heard.

If you CANNOT POSSIBLY attend the meeting, please return the proxies that you will be receiving in the mail. We need everyone's participation to direct our activities and funds to the greatest benefit of the homeowners.

The ***Nominating Committee*** requests that anyone who would like to be a member of the Board, or to nominate someone as a Board member, please contact any of the following Committee members immediately: Pat Betts (202-333-1933); Lon Dring (301-871-8764); Herb Jasper (301-229-0644); Tom Sugrue (703-751-2138); or Leila Keese (301-926-4318). Nominations will be closed August 1.

Call for Agenda Items

The Board is currently finalizing the list of items to be included in the agenda for the 1991 Annual Meeting. Please call Jim Bradfield (301-984-9657) immediately to ensure that your concerns will be addressed at the meeting. August 1 is the deadline for adding items to the final agenda.

1991 Home and Lot Owners' Assessments

Please note that 1991 assessments for lots and houses have been mailed to each owner. Payment is due by August 31. Late payment penalties will be assessed beginning September 1. Questions should be addressed to treasurer Don Kredel (703-522-2385). Thanks in advance for your prompt payment.

The Mountainside News is published quarterly by the Coolfont Mountainside Association, Box 21, Coolfont Rd., Berkeley Springs, WVa 25411. Editor: Sarah H. Hay, 7930 Brink Road, Gaithersburg, MD 20882 (301/926-7007). Comments, letters, opinions, poems, original humor, recycled humor, helpful hints, and recipes are eagerly solicited. No responsible contribution will go unpublished. See your name in print.

Update on Water Quantity and Quality

The "R" reservoir can be put on line as soon as the developer makes the repairs that CMA brought to his attention months ago. Inclusion of this reservoir in the system will increase the pressure to the houses in the upper and lower K section as well as provide additional capacity for the water system.

CMA has also begun a daily water monitoring program to check clorine levels in the water. This program will help to improve the quality of water that is distributed to the mountainside.

Additionally, a new pump has been installed in the "P" well with controls to insure that the flow of water through the pump will be sufficient to keep the pump from burning out.

For You Happy Campers...

The CMA campsites near the pool are ready for tent campers and can be reserved through Alice Minnamon (304-258-5352). The following rules apply for their use:

1. Campsites are available to CMA members by reservation.
2. Maximum stay is one week. Special arrangements can be made for a longer stay.
3. Bathroom facilities and water are available at the barn.
4. Campsites are limited to tents only. Please park cars in the lot near the tennis courts.
5. Campers are responsible for trash removal and site clean-up.
6. No open fires; please use grill or camp stove.

If there are questions or suggestions about campsite use, please direct them to Alice.

Spring Clean-Up -- A Blooming Success

A respectable group of gardeners and fix-up experts donated their artistic talents and time at the ***Clean-Up Plant-In*** in early May. The pool cover was removed, the pool cleaned up, the grass mowed, and a beautiful array of flowering plants were arranged with professional aplumb. Thanks to the following homeowners who, with muscles, tools, and good humor, participated in this CMA traditional rite of late spring:

Myra and Harry Birnkrant
Liz and Roland Szadokierski
Lon Dring
Phyllis and Carol Yingling
Tim Black
Bill Boyden
Alice Minnamon
Elmer Broxson
Herb Jasper
Jim and Joan Bradfield
Pat Betts
Connie Dupre
Sarah and Bob Hay

Welcome...

The Association would like to welcome the following new members:

- Q-4 John and Maggie Dowling with the U.S. Embassy in Bern, Switzerland
- K-13 Lynne McGuire, from Washington, D.C., who purchased the property from Jeanne Knorr
- D-7 Stephen and Irene Eckstrand, Germantown, MD, who purchased the property from the Manekins
- N-5 Patricia M. Fuller and Sara C. Gilman, Gaithersburg, MD, who purchased the property from Mark Mazz

Mountainside Potpourri

Those members who have not visited the Mountainside recently will notice during their next visit that CMA has erected a *Gatehouse* on Herbert Quick Drive delineating the property boundary. To maintain Coolfont as private property, the gate must be closed one day a year (to be determined). CMA homeowner Charles Barrett is responsible for the attractive design of the Gatehouse, which was completed July 15. According to the 1986 Memorandum of Agreement between CMA and CDC, access to the Manor House will be moved outside the CMA boundary by September 1, 1991.

* * * * *

A recent incident prompts the Board to remind pet owners that ***all pets must be under control*** by means of a leash whenever the pet is being exercized off the owners' property. In this incident, the dog and the dog's owner were both attacked and both suffered lacerations, with the owner developing an infection requiring medical care. This is a serious problem and will not be tolerated.

* * * * *

Since you will be at Coolfont for the Annual Meeting on Saturday, August 31, you will certainly want to stick around for the Fourth Annual ***Just-For-Fun Tennis Tournament***, scheduled for Sunday, September 1. All tennis players age 14 years and older are invited to participate in the race for the prestigious CMA Tennis Cup. The CMA courts will be reserved for the tournament from 10 a.m. until 1 p.m. No pre-registration is necessary. Refreshments and tennis balls will be provided.

Immediately following the tennis tournament, at 1 p.m., everyone is invited to gather at the pool for the annual ***CMA Community Picnic.*** Bring lunch for your family (and guests) and a dessert to serve your family and six of your neighbors (that should translate into about 10-12). Cold drinks, condiments for your hot dogs or hamburgers, and grills will be provided.

* * * * *

Swimming pool users may have noticed the row of ***tree seedlings*** carefully marked with red tape. These are an improved strain of dogwood donated by Sam Ashelman that we were pleased to accept during our May plant-in. Many thanks to Sam.

We also want to call your attention to the enhanced raised area for picnics in the pool area and the replanting of grass where the picnic tables were previously located.

* * * * *

The enclosed ***sticky decals*** will improve your chances if you or someone renting your house has an emergency while staying at Coolfont. Please affix this decal in a prominent location in your house, on or near the phone.
