BOARD TAKES STEPS TO BETTER SERVE MEMBERS

A five part program to improve water service to members was supported by the new Coolfont Mountainside Association (CMA) Board of Directors at their first meeting of Oct. 2. In essence, the program is as follows:

1. Reaffirming a quality water service goal and dividing work into two parts; a., development of action plans to assure dependable water service to each home and b., intermediate measures to assure equipment, reservoirs and wells are in good working order.

2. Providing full support to the mediation activity presently being conducted between CMA and the Coolfont Development Corporation/ Coolfont Recreation Inc. The Board reaffirmed support for arbitration in the event mediation is not successful.

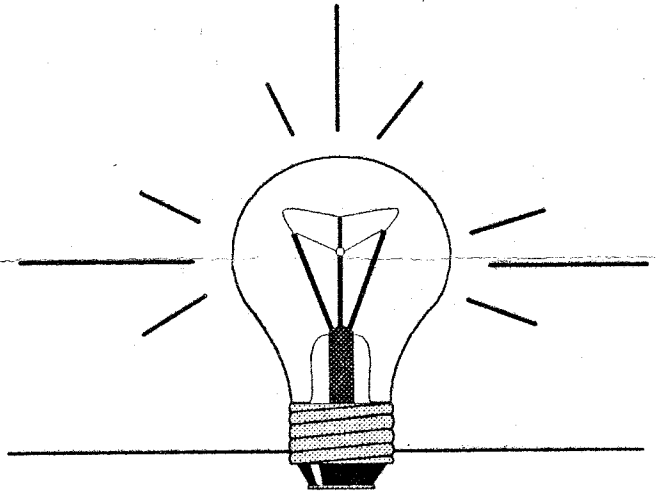

3. Priority support for a long-term strategic planning effort to be conducted by a budget planning committee to look at the future and make recommendations about the entire CMA infra-structure.

4. Action , beginning November 1st, to drain, clean, inspect and repair reservoirs requiring attention.

Committees To be Strengthened Members Urged To Participate

The CMA Board of Directors supported a recommendation from the new association president to install a committee system that is strong , well-directed and effective. "It is imperative that the multi-talents of our membership be utilized to meet the challenges we face as leaders, stated Arleigh Greenblat, new CMA President. We have scientists, lawyers, engineers, educators, investment advisors and CPA 's among us, to name only a few respected vocations. If we are to be successful in accomplishing work outlined by the general membership, we must draw upon member talents. For too long,, a few tireless leaders have carried heavy responsibility; we must involve others in our work."

◆ LONG RANGE

PLANNING - KEY TO MEMBER SERVICE

The Annual Meeting of the association taught everyone a solid lesson. We're a membership organization and that requires highly effective communication between members and leaders. At the heart and soul of effective communications are the goals and objectives of the membership.

CMA, under the leadership of Past President Jim Bradfield, started a process that, if carried to successful conclusion, will clarify our mission and guide our association for years to come. The long term budget planning committee (ad hoc) is headed by Herb Jasper. The committee will help CMA chart a future course by examining past capital and operating expenses , project expenditures for the future, and measure those estimates against alternative levels of revenues and methods for raising such revenues. Inherent in the committee's work are reflections about the future and the meeting of membership needs. Committee members will welcome your comments and suggestions.

All CMA leaders realize that members want dependable services, reasonable costs and the peace of

mind that comes with the knowledge that their lot and home investments are sound and secure.
This committee is important to everyone; members, their leaders, those who do business with CMA and Coolfont management. Jim Bradfield, Glen Bruels, Elmer Broxson, Maggie Dowling, (Bd. Liaison) Bob Dowling, Don Fox, Nadine Horenstein, Jim Lancaster, Henry Lynn, Ralph Salvagno, Pat Schenk, Roland Szadokierski, Lee Weinberger, and Mick Zenick serve on the committee.

NEW OFFICERS

◆

Enthusiastic BEGINNING

The new association officers for 93-94 are: President, Arleigh Greenblat, Vice President, Harry Birnkrant, Secretary, Ed Neill and Treasurer, Anne-Marie Doppman.

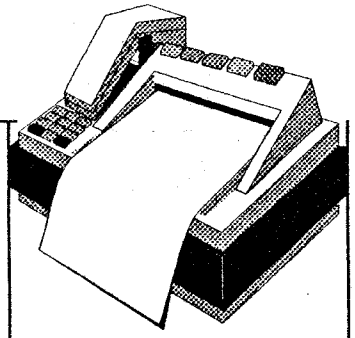

The officers will meet to deal with special problems and assist the President in making recommendations for committee staffing.

Committees: Committee chairs have been chosen for Long Term Budget Planning- Herb Jasper, Arbitration-Mediation, Don Fox, and Lawyers Committee, Tim Black (CMA Board Member). More to come. . . .

The Arbitration-Mediation committee now has the following members: Don Fox (Chairman), Herb Jasper, Ed Neill (Bd. Liaison) and Tim Black (Chair, Lawyers Committee). Don Green, a CMA member, is chief counsel to the committee. Don serves on a pro-bono basis and receives special "thanks" from us all.

SPEED

Forget it! Speed bumps are now installed. We're looking into signs to warn people about the bumps.

IMPORTANCE OF DATA BASE

Ed Neill, our association secretary is putting together a revised listing of members. A new data base is to contain two levels of information: basic information with names addresses, phone and fax numbers of members [not for public use] and secondary data containing information necessary to filling association committee needs and recognizing member accomplishments.

From time to time, member profiles will be run in the newsletter, so having good data on each member will be important to strengthening the association.

OFFICER PROFILE:

ANOTHER RUTH??????

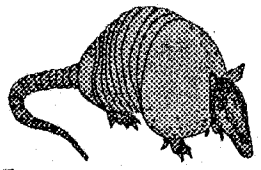

Constance Dupre is serving as a CMA board member for the second time. Connie was legal counsel for the U.S. EEOC (Clarence Thomas's shop) and also program director for that organization. Yes, Connie knows Ruth. Connie was Clerk of the U.S. Court of Appeals for the D.C. Circuit. She's now a senior staffer at the Admin. Office of the U.S. Courts. Connie tries to get to Coolfont every four to six weeks, likes the resort atmosphere and enjoys hiking. Hiking party? Ask Connie.

Margaret is Leaving

!!!!!!!!!!!!!!!!!!!!

Margaret Axtell, a 23 + year resident of Coolfont is leaving A4 for Clarksberg. Your reporter asked Ms. Axtel how things had changed on the Mt. and got this report:

" There used to be possums, raccoons and even a snowy owl or two.

EXTINCT FOREST ANIMAL!

There were few houses, lots of woods and everyone knew each other." Ms. A indicated that something important has been lost in the growth shuffle.

Never without a sense of humor, she told us that if we wanted to "dig up some real dirt", we'd have to talk to her daughter. We passed on that suggestion!
