MOUNTAINSIDE NEWS

SPRING IS HERE!!!

As winter transitions to spring, the mountainside takes on a new beauty; there's the freshness of spring in the air, **and** instead of 'sliding' down the mountainside, we can walk with steady footing while enjoying the local flora and fauna.

WELCOME NEW MEMBERS

- Jason Schetrompf and Holly Malcomb - House D-4
- Thomas and Dawn Holt – House F-1

CONGRATULATIONS

Richard Kaufman - elected President, Berkeley Springs Studio Tour.

If you would like to see some of Richard's beautiful East Asian brush paintings also known as Sumi-e art, go to website http://www.berkeleyspringsstudiotour.org/magic-mountain-studio/4575685765.

Rosemary Bigelow - elected Vice President and Treasurer, Berkeley Springs Studio Tour

Rosemary's one-of-a-kind, classic, custom designed home furnishings & accessories can be viewed on website http://www.berkeleyspringsstudiotour.org/my-grandmothers-lace/4575685766

Richard, Rosemary and other regionally and nationally recognized local artists will be opening their private studios to the public during the Berkeley Springs Studio Tour on October 21 & 22, 2017. The Berkeley Springs Studio Tour is a nonprofit organization that promotes the arts in and around Berkeley Springs.

MEMORIAL WEEKEND POOL PARTY – MAY 27, 2017 - 4:30 P.M.

Volunteers Needed: If you would like to help set-up or clean-up at the event or future events, you would be most welcome. Please call Reid Hoffman at 202-577-4686 or Rosemary Bigelow at 304-258-5352 to offer help.

A CMA FIREWISE COMMUNITY MESSAGE

During 2004, CMA became the first recognized Firewise Community in West Virginia. This yearly designation continues as a result of safety measures members have taken on a yearly basis to mitigate risks of fires.

The dry season is approaching. Members are encouraged to rake leaves about thirty feet (30') from their homes and move firewood away from houses.

For more information on how to potentially reduce wildfire risks, go to website https://www.google.com/#q=west+virginia+firewise+communities&start=10 .

A NEW LOOK

Security on the mountainside will soon be getting a face change. We will be transitioning to amber strobe lights and will also be ordering our magnetic signs for the car patrols under the Neighborhood Watch Program. This is all in the spirit of transitioning to a Neighborhood Watch Program only for our security needs. The beauty of this program is every homeowner in the community can be involved simply by noticing anything out of the ordinary at a nearby neighbor's house or while out on a walk. We will be continuing patrols under the Neighborhood Watch Program if anyone is interested in volunteering. If interested, please contact Cathy Levey at mccm2012@hotmail.com or at 304-258-5481.

A BIT OF TRIVIA

A 1/32nd inch hole in a water pipe wastes 18,500 gallons of water per calendar quarter. Water costs money - Please do not waste it! Check for leaking faucets or toilets and ensure your main water valve is turned off when away from home for extended periods of time.
