SUMMER SAFETY MEASURES

NO FIREWORKS

Fireworks are beautiful; however, they can cause damage. Please remind your guests and renters that fireworks are prohibited at all times on CMA properties.

"Snake-Watch 2017"

Watch out for poisonous snakes on the Mountainside. While reading water meters on 2 June, one of our water system volunteers came within inches of stepping on a poisonous copperhead snake. Did you hear the blood-curdling scream? She was last seen, still running west of Akron, Ohio !!! (Well, her blood-curdling scream was real. The last sentence was only partly fictional.)

Please DO watch out for snakes on the Mountainside during the warmer months. They can be deadly. We host two poisonous snake species - rattlers and copperheads. We also host black snakes that are NOT poisonous, but they can scare city slickers - like me. – to death.

ANOTHER YEAR - ANOTHER ELECTION

The Coolfont Mountainside Association is a living community, and must have a small group of its residents to keep it livable and habitable. They are volunteers – as board members and committee members. These residents have recognized that their time and energy contribution have helped retain or grow the value of everyone's real investments here. Without them, the community would not operate, and you would literally not be able to occupy your homes due to utility or road failures or fire events. Yes, *it is that important. Will you help keep this beautiful, peaceful community going?*

HERE IS WHY WE APPEAL FOR YOUR HELP:

At the September annual meeting we will be voting to fill four vacancies for the 2018 / 2019 term among the seven members who now serve on the CMA Board of Directors. Each member serves a two-year term, with potential of serving up-to three consecutive terms.

If you have questions about Board membership, know someone you would like to nominate for the Board, or would like to nominate yourself, contact the CMA nominations committee chairperson, *Rusty McCrady at cell phone number 240-723-5930, rusty.mccrady@gmail.com*.

The following members are also available to answer questions.

Arnold Weinberg – phone #: 443-812-2232 – email: marzarn@comcast.net

MEMORIAL DAY WEEKEND PARTY

Rain did not deter the partiers. Although the party was moved from poolside to the barn due to rain, it still had some poolside ambiance - music, , children playing, conversation, great food and refreshing beverages.

NEIGHBORHOOD WATCH CORNER

Recently - thanks to our dedicated volunteers - we have been successfully covering the security needs of our community on weekdays and weekends, since inception of our Neighborhood Watch patrols. Thanks to everyone making patrols and to those of you in the community who are keeping a protective eye on your neighbor's homes as well as the community in general.

Some have asked what we should do in the event of Loud Parties Between the Hours of 11:00 p.m. and 7:30 a.m.

Loud noises are restricted by CMA Covenants and Morgan County local noise ordinances as confirmed by the local sheriff's office. In the event of a loud party that occurs between 11:00 pm and 7:30 am, it is recommended you call the homeowner of the house in question to ask them to address the issue. If relief is not found, then the suggestion from the sheriff's office is to call 911, where they will determine whether to send a deputy or state trooper.

Any other questions, or if you wish to volunteer for Neighborhood Watch patrols, please contact Cathy Levey at mccm2012@hotmail.com.
