Make a Splash – It's Pool Season

By Holly Malcomb & Dawne Holz

Volunteers will gather on Saturday, May 18 from 2 - 4 pm to work on sprucing up our community pool. They'll be raking leaves, pruning bushes, cleaning equipment and working to get the pool ready to open on May 25. Volunteers are welcome to come help - bring your rake, gloves, clippers, bucket and enthusiasm! Afterwards, we'll share some pizza.

Changes at the Pool This Year

Pool Passes

When the pool opens on May 25, residents, guests and renters will need to show their new Coolfont Pool Pass in order to access the pool area. Each home will receive two plastic, credit card-sized passes. There will be a $25 fee to replace a lost pool pass. You may want to use a lanyard and/or holder to help keep track of your pass. Replacement passes can be obtained from the Site Manager, Holly Malcomb.

When coming to the pool, one member of the group must present the pass to the attendant on duty. **No one will be permitted to enter the pool area without a pass.** It will take some time to adjust to this new system, but it is important for controlling access to this private amenity and providing safety for residents, visitors and pool attendants.

You can pick up your pool passes from Holly Malcomb. Contact her at 304-671-0882 or almostheavenpm1@gmail.com to make arrangments to get your passes. Alternately, you can coordinate with Holly to pick up your passes at the pool - when open - provided you present a photo ID to verify you are the owner of the property.

Lap Swim Rules

While not a change, the lap swim rules will be observed and enforced this year. Two hours after opening each day, there will be a lap swim period for 20 minutes. No one is allowed in the pool except those swimming laps. If the pool opens at 11 am, the 20-minute lap swim will begin at 1 pm and there will be a second lap swim at 3 pm. On days the pool opens at 1 pm, there is only one lap swim at 3 pm.

When the pool is underutilized, it will be up to the attendant on duty to grant individuals permission to swim elsewhere in the pool during lap swim times. They may not swim near the lap lanes. Rather, they will be asked to swim (frolic) near the pool stairs or waterfall and must remain out of the way of lap swimmers.

DACC Information

Are you thinking about improvements to your CMA home? If you're making any changes to the exterior, you'll need approval from the DACC. This includes work such as cutting down live trees, painting the exterior, installing a new roof or gutters, or adding or altering any structures.

The Development and Architectural Control Commitee (DACC) is tasked with monitoring construction and improvements to ensure compliance with the rules and regulations to building at Coolfont. The Site Manager monitors construction activities in the community during routine rounds notifies the DACC. If the homeowner has an approved application, work may proceed. If there is no application on file, the resident will be notified that an application must be submitted to the DACC for review and approval.

The DACC form, Request for Approval for Renovation or Changes to an Existing House, is available on the CMA website under Owners/Owner Documents.

Questions? Please contact Dennis Daisey at dennis.daisey@gmail.com.

Septic Reminder

Please send a copy of your last septic inspection or service and a rough drawing of the tank location on your lot to the Site Manager by June 1, 2019.

CMA Website

The CMA website has tons of great information for our residents. You'll find the Community Calendar, with all the upcoming events and information as it's available. Under Member Services, you'll find information about the Site Manager, snow plowing and our water service. You can read through all the years of newsletters, check out Board Meeting minutes, or read the governing documents in the Owners Documents area. There are also forms for the DACC and Firewise. We've also included a list of suggested contractors - services your CMA neighbors have used and recommend. You'll find all this, and more, at www.coolfontmountainside.com Click on Owners and enter the username: owner and password :coolfont.

Wine with Cheese

by Liz Dane

Try to keep up with Regina Aamacha, owner of the new Ravenwood Pub and Fleur de Lis Cheese Shop! I dare you to try. She is always on the go!

She's a singer, musician, cook and entrepreneur. She has lived in Tampa, New York City, the eastern shore and Berkeley Springs. But, she always comes back to Berkeley Springs.

Regina recently purchased the Black Dog Café and has turned it into a full service restaurant and bakery on Route 9 . The food served at Ravenwood Pub is all locally sourced (with the exception of some meats). All of the baked goods and breads are baked on premises. You can enjoy Wild Boar Chili, Biscuits and Gravy or a London Broil stacked sandwich to name a few of the eclectic (and not so eclectic) choices on the menu. Luckily, Black Dog Coffee is still being served. It has been a dream of Regina's' to serve food that she loves to cook and eat.

> **Last night we went to the Ravenwood Pub on Rte 9... The food was fantastic with a wonderful wine selection and very nice people. We give this restaurant a 10. It is small inside, but we were comfortable. Marsha and Terry Moore, Lot P-9**

Her goal for both the Fleur De Lis Cheese Shop and Ravenwood Pub is to provide a gathering spot where locals can feel at home. She wants to tailor her business to locals. The tourists that patronize both establishments are icing on the cake. She will prepare specific dishes for her regular customers. She wants to connect with the community and so far she has.

Fleur de Lis cheese shop opened last May and stocks cheeses from all over Europe. You can find Stilton and Cheddar from England along side local artisans cheeses, too - all priced so they are affordable. She is thrilled with the enthusiastic response from her customers for both the cheese shop and restaurant.

If you would like to hear her sing and play guitar, check out www.aamacha.com and www.reverbnation.com/reginaaamacha/videos.

Alice Minnamon

by Rosemary Bigelow

It is with a sad heart that I share with you the passing of Alice Minnamon. Alice was a long time resident of CMA and the sister of my late husband, Stan Bigelow. She and her husband, Dick, and daughter, Valerie, moved from California to Coolfont in the early 80s. They built their home, Minnamon's Dream, on Lot F-2 - which Valerie and her husband, David, still own.

Dick served as the first Operations Manager of CMA and after his death Alice took over the job for several years. She was a beloved elementary school teacher in the Morgan County school system and was the first teacher of the gifted program curriculum in Morgan County. Like her brothers and parents she was a deeply spiritual person. All who knew her will remember her charming, sprightly and positive personality.

Her two children Cheryl (Al) Caballero and Valerie (David) Creason were with her, as well as her spouse, Roger Downs. She is survived by her younger brother, Don Lea Bigelow; her daughters and sons in law; grandchildren, Nikki, Matt, Christine, Corrine, and Adam; and many nieces, nephews, cousins and friends.

There will be a celebration of Stan Bigelow and Alice Minnamon on Saturday, June 8 at 11 am at the Barn. Lunch will follow at the Bigelow home, 5 Mountainside Rd. Please RSVP for lunch to Rosemary Bigelow or Valerie Creason.
