Spring 2022

Summer Fun at Coolfont!

by CMA Board

We're all looking forward to another beautiful summer at Coolfont, especially after Mother Nature's last blast of winter on April 18 - dropping about 3" of snow on early spring flowers and tender plants. Fortunately, a quick warm up melted everything and we're back in the full swing of Spring. Need proof? Check out the pictures of spring flowers on page 8.

The Board and community volunteers are already hard at work in the community getting amenities ready for summer. In 2020, we focused on our trails, clearing downed trees and debris and re-blazing trees with paint to mark the trail. We also updated the trail map brochure - available at the entrance gazebo. This year, we're addressing long overdue maintenance on the community pool. In April, all three pools were drained and replastered with the color residents selected last fall. Contractors also tackled service on the filtration systems, replacing filter media, chlorinators, leaking gaskets, and faulty valves. We've replaced or repaired aging maintenance brushes and poles, cracked skimmer covers, and nonfunctional cover anchors. We adjusted the entrance gate to close properly and we will be fixing a section of fence crushed by downed trees.

There's more to be done! We hope to hold a community volunteer clean up day in May. We will clean and repair furniture, tidy up the landscape, clean the decking, and address any other items. Please watch the Google Group for details.

We are in the process of hiring pool attendants and finding a Certified Pool Operator (CPO). **We cannot open our pool without a CPO to oversee pool operations.** If you are interested in this position - or know someone who may be interested - contact the Board at coolfont.board@gmail.com. Please see the Google Group for details and watch for updates on pool rules, opening, and hours.

UPCOMING EVENTS

Board of Directors Meeting	Sat., May 14, 10:00 am	Coolfont Resort
Pot Luck Dinner	Sat., May 14, 6:00 pm	Leila Keese, Host, K-7
Board of Directors Meeting	Sat., June 11, 10:00 am	Coolfont Resort
Board of Directors Meeting	Mon., July 11, 6:30 pm	Zoom Teleconference
Board of Directors Meeting	Sat., August 13, 10:00 am	Coolfont Resort
Pot Luck Dinner	Sat., August 13, 6:30 pm	The Brydges, Hosts, Q-4

Please check the Google Group or Facebook Group for confirmation of date, time, and location.

Host a CMA Pot Luck!

the potluck club

Reserve the date to host a Pot Luck dinner!

Next available: June 11

Help Wanted: Certified Pool Operator

CPO needed for summer season, approximately 5/15 to 9/14. CMA will pay for certification of appropriate candidate, if needed. Must be responsible adult with at least 2 years' experience in pool managment or lifeguarding. CPO will oversee pool equipment, supplies, daily water testing, and water quality and complete/submit weekly logs to MC Health Dept. Must be available for emergencies or pool closures, when needed. Send questions, contact info, and/or salary request to coolfont.board@gmail.com.

Reading the Messenger

With the island tortoise

Jeuli Bartenstein and Mike Carleton, of the Coolfont Mountainside Association, visited the Galapagos Islands in Ecuador in March. They're seen here with their new tortoise friend and *The Morgan Messenger*.

Your neighbors in The Morgan Messenger.

Reading the Messenger

With the penguins in Antarctica

Andrew and Joan Zuckerman took their Morgan Messenger along on a recent trip to Antarctica – one of the most extreme places on the planet. Penguins joined the couple in the photo.

Cacapon State Park, tree decorated with fungi
Joanie Zuckerman, T-6

Craig Deane, T-3, snapped this photo of a very confused robin during the April 18 snow fall.

Did You Know...?

You should replace your toilet flapper every five years? The flapper is the rubber device inside the toilet tank that holds water in the tank, then releases water into the bowl when you flush. Once a flapper wears out, you could be wasting water and money on your water and sewer bill. It's easy and inexpensive to replace it, so flip that flapper at least every five years!

Come Into Compliance!

Spring is here! While working on "Spring Cleaning" you may want to also include the outside of your CMA home and make sure you are in compliance with CMA governing documents.

The Association is working to keep our community beautiful by contacting the owners of properties that may need attention. These notices ensure that the appearance of our community is maintained - and subsequently help preserve property values.
Here are a few areas to focus on -

Trash and Refuse

Lot should be clear of any refuse piles or unsightly objects. Trash and other waste must be in covered containers and maintained in a clean condition.

Vehicles

Trailers, campers, and/or inoperative/unsightly vehicles may not be parked or stored on lots (except construction vehicles during active construction on your property).

Maintenance

Homes should be well maintained with attention to roofs, gutters, downspouts, decks, stairs, and exterior building surfaces.

Fire Safety

Owners should help maintain CMA's Firewise Community certification by assessing the wildfire risk to their property (see website for details).

In early June, the Association will begin inspection of the above items and, if necessary, you will be notified by mail or email if you are in violation. If you are unable to correct the issue in the time allotted in the violation notice, please contact the Association to request a reasonable extension. If you do not correct the violation in the allotted time, you will be sent follow up correspondence. If still not resolved, you may be called to hearing before the Board of Directors.

As a reminder, owners must obtain written approval from the DACC prior to making changes or improvements on or visible from the exterior of your home. If you have made any exterior improvements without submitting an application, please submit an application **before June 1** so your Association file is current. Owners who have made unapproved exterior improvements identified in the upcoming inspections, will also be notified.

If you have questions about compliance or a violation notice, please contact the Board at coolfont.board@gmail.com. If you have questions about a modification to your property, or need to file an application, please contact Dennis Daisey, DACC chair, at dennis.daisey@gmail.com.

Making a Change?

If you're making a change to the exterior of your home, please review the revised Design Guidelines & Building Regulations to determine if an application is required.

The Guidelines are available on the CMA website, under Owners/Design Guidelines. A fillable PDF form for Appendix A: Modification Application is also available online.

Questions and forms can be directed to DACC Chair, Dennis Daisey.

Thank you!

A big thank you to our volunteers that braved all weather - rain, sleet, and snow - to work on the community pool. The new plaster required twice a day brushing for a week and then twice a week brushing until mid-May. Others helped with general clean up, facility repairs, and equipment monitoring.

- Stephen Crane, P-2
- Craig Deane, T-2
- Gary Farmer, N-5
- Cathy Levey, A-6
- Frances Luscher, T-2
- Iris Melton, K-12
- Jen Regan, N-3

This issue's cover photo is so spectacular, we had to show you the whole thing! Jamie Sullivan, Q-3.

Pool: Plastered!

In Memorium

Robert H. Neuman, M-5

Our neighbor, Robert Neuman passed away on Wednesday, March 23, 2022 at Berkeley Medical Center in Martinsburg.

He was a graduate of Germantown High School, (PA) and graduated from the University of Maryland with a degree in liberal arts. He earned a Master's degree from Johns Hopkins University.

He served in the U.S. Army and then worked for the State Department as an Administrator, traveling to many different countries as part of his job.

He moved to Coolfont Mountainside in May 2018 as a fulltime resident living in Green Gables at 95 Dogwood Lane. He collected and filmed movies as a hobby. He also enjoyed music and travel. Bob volunteered with Neighborhood Watch, driving patrols in the community.

He is survived by his life partner, Pamela Treece Sanders, who will remain as a member of the CMA community.

Gordon J. Cloney, K-6

Gordon Cloney, a long-time owner at Coolfont, passed away on Monday, April 25, 2022.

Gordon and Mary Kay Cloney purchased K-6 at 22 Bobcat Lane in October 1999. Both volunteered much of their time to the community. Gordon served on the Board of Directors and chaired the DACC. While Board President, Gordy led an often-embattled community effort to upgrade and preserve our water system. He introduced the idea of enhancing the Herbert Quick entrance as the "Gateway" to our community.

The Cloney's also worked to beautify CMA: they introduced plantings at the pool entrance and managed the annual pool clean up event. Gordon also supported the preservation of the meadow - to attract songbirds and promote the growth of wildflowers. Their efforts resulted in a welcoming and well cared for environment.

Directory Updates

Keep your Membership Directory current with the updates noted below. We also update the PDF on the CMA website.

In recent months, Gordy's participation in the CMA Google Group discussions about current community affairs has continued to promote thoughtful discussions.

Gordon and Mary Kay were married for 48 years. Mary Kay passed away in June 2018. They are survived by their daughters: Maureen Janette Christ (Tom) of McLean, Va. and Michelle Margaret Cloney of Reston, Va., and their families.

Concerned About Wildfire Risks?

by Cindy Van Meter, Firewise Acting Chair

Approximately 15 years ago, CMA Member Richard Kaufman, a former CMA President, was instrumental in CMA becoming the first West Virginia Firewise Community. Richard's foresight plus CMA's on-going participation in wildfire mitigation continue contributing to the safety of our members, families, friends, and visitors. Richard and others are thanked for their contributions to fire safety.

Listed below are at least seven important steps you can take to protect yourself, the lives and safety of your CMA neighbors, and nearby communities from wildfire risks and to maintain CMA's Firewise "Good Standing" status.

If you have not already done so, record the Safety Steps that you have taken since January 2022, on the Firewise Volunteer Timesheet and email the completed form to cndyvm@yahoo.com. You can complete and send a Timesheet each time you accomplish any Firewise Safety Steps.

If you have difficulty accessing the Timesheet or have questions, suggestions, or concerns, contact Cindy Van Meter via email or at 703-532-6862.

Where's Your Pass?

Now's the time to locate your CMA Pool Passes! Each owner should have two plastic pool passes (the second is a back up!). You need to bring only one pass to the pool for your entire party (not one pass per person). You will not be admitted to the pool without a pass. If you cannot locate your pool pass, please contact coolfont.board@gmail.com about a replacement.

Early Spring Flowers

Board Shorts

February 15 Board Meeting

- Approved minutes of January 15 meeting
- Approved removal of sign from Pittman property
- Approved a payment plan for an overdue assessment account
- Approved committee charters for Finance DACC, Social, Neighborhood Watch, Nominating, Firewise, Communications and Recreation
- Appointed Committee Chairs for 2022
- Approved installation of Booster Pump at R Reservoir

March 12 Board Meeting

- Approved minutes of February 15 meeting
- Approved contract with CleanWater Pool for filter maintenance and repairs
- Approved expenditure to Berkeley Club Beverages for water required to refill pool after plastering
- Approved request to overturn DACC denial of roofing material/color
- Approved contract with Mountainside Getaways for Ditch and Culvert cleaning (contractor subsequently withdrew bid)
- Approved updated Policy Resolutions for WS Delinquent Account and Lead Adjustment (due to PSC changes to statute)
- Ratified emergency expenditure for sewer repairs

April 11 Board Meeting

- Approved minutes of March 12 meeting with noted changes
- Approved updated Septic System Maintenance Policy Resolution (due to PSC changes to statute)
- Accepted contract termination from Almost Heaven Property Management for Site Manager services
- Discussed Certified Pool Operator and Pool Attendant status and updates on pool plastering and filter maintenance projects

Next Board Meeting is Saturday, May 14 at 10:00 am at Coolfont Resort

2022 Board Calendar

Here are the proposed dates for Board meetings for the year. Please check the Google Group or Facebook Group for confirmation of date, time, and location.

- Sat., May 14, 10:00 am - Coolfont Resort
- Sat., June 11, 10:00 am - Coolfont Resort
- Mon., July 11, 6:30 pm - Zoom
- Sat., August 13, 10:00 am - Coolfont Resort
- Sat., September 24 - Annual Meeting TBD
- Mon., October 17, 6:30 pm - Zoom
- Sat., November 12, 10:00 am - Coolfont Resort
- Mon., December 12, 6:30 pm - Zoom
