As part of our responsibility as a Firewise community, each member/homeowner is asked to provide documentation of regular work around you home to prevent fires. Wildfire risk varies from season to season, but all work leads to the final goal.

Examples of activities are noted above information and on the national Firewise website: https://www.nfpa.org/en/education-and-research/wildfire/preparing-homes-for-wildfire. Additional information pertinent to West Virginia can be found https://wvforestry.com/firewise-wv/.
The CMA Firewise Committee will report on behalf of our community as part of our Firewise Community status.
